STEVE HILTON FOR GOVERNOR

Steve's Policies

Califordable

Cut the cost of living and make California a place where young families can get ahead.

$3.00 Gas: Steve will eliminate extreme environmental program costs, suspend the Low Carbon Fuel Standard, eliminate the 60 cents per gallon state excise tax and take steps to increase California oil production. **For More Information**

Cut Utility Bills In Half: Steve will take on the political mandates and failures that made electricity unaffordable. **For More Information**

Cut Water Bills In Half: Steve will end man made water scarcity and build a system that delivers more water at a lower cost. **For More Information**

First $150,000 Tax Free: Steve will let working Californians keep more of what they earn by eliminating state income tax on the first $150,000. **For More Information**

Starter Homes for Young Families: Steve will clear out the red tape, fees and bad rules that made it too expensive to build the homes young families need. **For More Information**

Ending the PG&E Nightmare: Steve Will restore affordability and reliability by repealing mandates that drive up costs and end monopoly protection. **For More Information**

STEVE HILTON FOR GOVERNOR

Steve's Policies

Califuture

Fix our schools, back real opportunity and get California growing again.

Every Student Reads by 3rd Grade: Steve will make early literacy a top priority so every child gets the foundation they need. **For More Information**

Skills Training in Every School: Steve will make sure every student has a path to real skills, real work and real opportunity.

Bust the $745 Billion Job-Killer Bloat: Steve will take on the bloated state machine that drives up costs, slows everything down and kills jobs. **For More Information**

Abolish $800 Small Business Tax: Steve will end the annual $800 tax that punishes small businesses just for existing. **For More Information**

End the Trial Lawyer Business Extortion Racket (PAGA): Steve will overhaul California's broken PAGA system and return enforcement to where it belongs — with the Labor Commissioner, not trial lawyers looking to cash in. **For More Information**

A Modern Wildfire Prevention Plan for California: Steve will flip the model from reaction to prevention, making California the first place in the world where wildfire prevention is universal, modern, and proactive. **For More Information**

STEVE FOR HILTON GOVERNOR

Steve's Policies

Healthcare

Reducing Costs to Make Healthcare Available and Affordable for Working Families in California

The Working Class Healthcare Guarantee: Steve will cut the cost of employer healthcare, replace bureaucratic medi-cal with patient control and give people buying their own insurance a real alternative. **For More Information**

Cracking Down on Medi-Cal Fraud: Steve will direct the Departments of Health Care Services and Public Health to review high-risk home-health and hospice agencies together. Investigators will check the owners and staff credentials, make unannounced visits to suspect offices, and match billing records to actual patients and services. **For More Information**

Help When You Bring a Baby Home: Steve will make support available when parents need it and choose it, use trusted local people and places, keep parents in charge, spend less on paperwork and more on families. **For More Information**

12 Weeks Paid Leave for California Families: Steve will extend California Paid Family Leave from eight weeks to 12 for eligible parents welcoming a child through birth, adoption or foster placement. **For More Information**

STEVE FOR HILTON GOVERNOR

Steve's Policies

Reduce Cost / Cut Regulation

Reducing Costs and Cutting Regulation to Improve Affordability for Working Families in California

Operation Zero Waste: Cut waste. Cut bureaucracy. Pay for tax relief. **For More Information**

STOP THE HIDDEN TAX ON NEW HOMES: CAP GOVERNMENT FEES AND REGULATORY COSTS AT $50,000: Steve will propose a statewide cap on the combined costs that state and local government add to a new single-family home through development fees, permits and mandatory requirements. **For More Information**

Abolish the DMV: Steve will get rid of the DMV bureaucracy and buildings, not the services people need. **For More Information**

Rebalancing California's Carbon Sequestration Strategy: Steve will rebalance California's climate strategy around natural carbon sequestration, wildfire prevention, forest restoration, watershed recovery, and practical land stewardship. **For More Information**

Fixing California's Insurance Crisis: Steve will lower costs, restore coverage, and bring insurers back. **For More Information**

STEVE FOR HILTON GOVERNOR

Steve's Policies

Safety

Restore Law and Order to the State of California

Build a Real California State Police Force: Steve will increase CHP's annual budget to $4 billion and build the force toward 10,000 sworn officers. **For More Information**

Crack Down on Masked Criminals: Steve will work to create new sentencing enhancements for criminals who deliberately conceal their identity while committing a felony. **For More Information**

Restoring Second Amendment Rights in California: Steve will take immediate action to restore Second Amendment rights in California. **For More Information**

Emergency Election Count Accelerator Plan: Steve will work to reform California's election laws to deliver faster, more transparent, and more trustworthy election results. **For More Information**
